Business, Government, And Society: A Managerial ...

Based on societies perspective relating to the issue raised throughout the case, "Dickinson's needle sticks", it can be said

that society was seen to be the minority against business and government. It could be seen that society was the underdog against business and government, but society was the main lead in this clashing case. The society in this case, were the nurses, patients and health care workers where they were affected most through this conflicting issue.
