**Seeking Modernity In China S
Name Chinese Students ...**

Working from student publications,
memoirs, and other writings found in this
country and in China, the author
describes Chinese students'
multifaceted experience of life in a
foreign, modern environment, including
student associations, professional
activities, racial discrimination, new
forms of recreation and cultural
expression, and, in the case of women
students, the unique challenges of being
female in two changing societies.\"--
