If a fire started, the Fire Brigade was called. They looked for the fire mark and, provided it was the right one, the fire would be dealt with. Often the buildings were left to burn until the right company attended!

History of the UK Fire and Rescue Service - FTS Safety ...

Synopsis. Working as a fireman in London's East End during the early 1970s was no easy ride. In the years before workplace health-and-safety legislation had started to exert its grip, Allan Grice had to cut his fire-and-rescue teeth without the advantages of a breathing apparatus for each member of his crew. Back then, the time-tested strategy was to 'get in' - to crawl below the intense heat and 'eat' the thick smoke - in order to locate a missing child or to halt a rapidly spreading inferno.
