Teen Angst? Naaah . . . *Delacorte Press*

In Teen Angst! Naaah . . . Ned Vizzini offers an authentic and raw portrayal of the crushing anxiety many teens experience, and which often is dismissed as simple 'angst'. In this classic testament to high school, Ned invites you into his world of school, parents,

cool (and almost cool), music (the good and bad), friends, fame, camp, sex (sort of), Cancún (almost), prom, beer, video games, and more. With wit, irony, and honesty, Vizzini presents the weird, funny, and sometimes mortifying moments that made up his teen years. From the author of Broadway musical sensation Be More Chill and It's Kind of a Funny Story, this is a quasi-autobiographical examination of one high schooler's battle with social anxiety, written when the author was just nineteen. Letter to a Stranger

Essays to the Ones Who Haunt Us *Algonquin Books*

"A celebration of the adventure that is other people." —Ariel Levy, author of *The Rules Do Not Apply* Lauren Groff, Elizabeth Kolbert, Pam Houston, Pico Iyer, T Kira Madden, Gregory Pardlo, Maggie Shipstead, and Peter Orner are among the 65 writers who grapple with this mystery: How can an ephemeral encounter leave an eternal mark? When Colleen Kinder put out a call for authors to "write a letter to a stranger who haunts you," she opened the floodgates. The responses—intimate and addictive,

all in the form of letters, all written in the second person—began pouring in. These short, insightful essays by today's best literary minds are organized around such themes as Gratitude, Wonder, and Farewell, and guide us both across the globe and through the mysteries of human connection. Bestselling author Leslie Jamison, who provides the foreword, reveals she has been haunted for years by a traveling magician she met in Nicaragua. Journalist Ted Conover writes his missive to a stranger he met on a *New Yorker* assignment in Rwanda. From the story of Vanessa Hua's shoe shopper in China to the tale of Michelle Tea's encounter in a Texas tattoo parlor, these pieces are replete with observations about how to live and what to seek, and how a stranger's loaded

glance, shared smile, or question posed can alter the course of our lives. Moving and unforgettable, *Letter to a Stranger* is an irresistible read for any literary traveler and the perfect gift for anyone who is haunted by a person they met once but will remember forever.

The Butterfly Clues (EBK) *Egmont USA*

"Fascinating. Ellison has the art of page-turning down flat, and readers will be swept up by both the terror—and the romance." —Booklist, Starred Review "This book casts a spell over its readers."—SLJ, Starred Review "An engaging mystery starring a teen girl with obsessive-compulsive disorder. A

pleasing mix of realism, tension, intrigue and romance.” —Kirkus Reviews “ . . . a strong, twisty thriller of a debut . . . [with] a complex and memorable heroine.”—Publishers Weekly “Lo’s relationship with the mysterious street boy who calls himself Flynt, layered on top of her almost supernatural loneliness and helpless compulsions, gives the novel an otherworldly quality.”—VOYA “A debut worth picking up. Stark and realistic.”—RTBooks Penelope (Lo) Marin has always loved to collect beautiful things. Her dad’s consulting job means she’s grown up moving from one rundown city to the next, and she’s learned to cope by collecting (sometimes even stealing) quirky trinkets and souvenirs in each new place--possessions that allow her to feel at

least some semblance of home. But in the year since her brother Oren’s death, Lo’s hoarding has blossomed into a full-blown, potentially dangerous obsession. She discovers a beautiful, antique butterfly pendant during a routine scour at a weekend flea market, and recognizes it as having been stolen from the home of a recently murdered girl known only as “Sapphire”--a girl just a few years older than Lo. As usual when Lo begins to obsess over something, she can’t get the murder out of her mind. As she attempts to piece together the mysterious “butterfly clues,” with the unlikely help of a street artist named Flynt, Lo quickly finds herself caught up in a seedy, violent underworld much closer to home than she ever imagined--a world, she’ll ultimately discover, that

could hold the key to her brother's tragic death.

High Crimes

A Georgia Davis Novel of Suspense

The Red Herrings Press

How do you solve a murder when there are 42,000 suspects? That's the task facing Chicago PI Georgia Davis, hired to hunt down those ultimately responsible for the assassination of Resistance leader Dena Baldwin at a demonstration fourteen months after the 2016 election. The gunman, on a nearby hotel rooftop, dies within minutes of the shooting. As Georgia sifts through Dena's 42,000 Facebook followers, she discovers that unknown enemies hiding behind fake

profiles have infiltrated the group. She finds others who will do whatever it takes—including murder—to shield right-wing, wealthy elites. When Georgia begins piecing together the facts, relatives of both victims mysteriously disappear, and the danger escalates. Threats and bruises have never frightened Georgia, but she's side-swiped by the sudden reappearance of the mother who abandoned her when she was a child. Can she survive an emotional family crisis at the same time she pursues killers whose only goal is to protect themselves? PRAISE FOR HIGH CRIMES " (A) smart, multi-layered plot which perfectly exemplifies our modern society ... Fans of all political stripes will enjoy this combination of intricate family relationships and realistic crime

fiction."Julie Whiteley, Library Journal "Entertaining...(Georgia is) a shrewd investigator... for readers who watch the nightly news with dismay, the novel offers a satisfying alternate reality." Publishers Weekly "HIGH CRIMES is the P.I. novel for our moment, not just because of its backdrop of political tension, but because of the resilient strength of its characters. Georgia Davis is a terrific lead, and Libby Fischer Hellmann calls on her own journalism background to add layers of realism to this all-too plausible plot." Michael Koryta, NY Times Bestselling Author of HOW IT HAPPENED "In this ripped from the headlines and rocket-paced thriller, Libby Fischer Hellmann is at the top of her game. You won't stop turning the pages, gripped by every twist and turn.

And the tough, smart Georgia Davis is sure to take her place among the top female PIs in crime fiction." Lisa Unger , NY Times Bestselling Author of UNDER MY SKIN "More than just a murder investigation, but even if you ignore the broader truths, it's a fun read. How Hellmann managed to write this novel as if it was pulled from today's headlines is beyond me. Maybe she has a time machine. I highly recommend it." Pat Balester, Picks by Pat "While the story is politically driven, this is still a solid mystery filled with familiar characters who act without political motives...This series continues to improve with each novel." Ted Hertel, Deadly Pleasures Magazine

A Tender Thing *Penguin*

An exhilarating debut novel set under the dazzling lights of late 1950s Broadway, where a controversial new musical pushes the boundaries of love, legacy, and art. Growing up in rural Wisconsin, Eleanor O'Hanlon always felt different. In love with musical theater from a young age, she memorized every show album she could get her hands on. So when she discovers an open call for

one of her favorite productions, she leaves behind everything she knows to run off to New York City and audition. Raw and untrained, she catches the eye of famed composer Don Mannheim, who catapults her into the leading role of his new work, *A Tender Thing*, a provocative love story between a white woman and black man, one never before seen on a Broadway stage. As news of the production spreads, setting off an outpouring of protest that threatens the possibility of the show itself, Eleanor is forced to confront her own naive beliefs about the world. Pulsing with the vitality and drive of 1950s New York, *A Tender Thing* immerses readers right into the heart of Broadway's Golden Age, a time in which the music soared and the world was on the brink of change.

The Undertaking of Adam Novak

This is one intense, non-stop action family drama you don't want to miss! There is nothing we wouldn't do for the ones that we love. In *The Undertaking of Adam Novak*, we learn that every choice we make has the potential to change lives, but not always for the better. For years Adam has attempted to leave his toxic marriage and always finds a reason to stay. After the sudden and unexpected death of his sister, Tianna, he is left with one seemingly simple and obvious choice: to leave his unhappy marriage and take care of his ten-year-old nephew, Aaron. What follows is a series of events that will turn Adam's life into chaos as his decision unleashes the wrath of an obsessed woman determined to keep Adam by her

side. Irene has only ever loved one man, and she will go to great lengths to keep him--by any means necessary. She knows that Adam has been in love with another woman for years, but is convinced that he will eventually fall in love with her and forget that the other woman ever existed. In Sofie Hern's debut novel, we learn that happily ever after is only an illusion and those seemingly simple choices are anything but.
