East Plays West Sport And

East Plays West will serve as a useful point of reference for both students and academics who are involved in the history and/or the sociology of sport. I would even argue that given the structure of the book and the dominant style of the essays, this anthology will attract some attention from the public interested in sport, the Cold War or history in general.

East Plays West: Sport and the Cold War: Amazon.co.uk ...

The Cold War spanned some five decades from the devastation that remained after World War Two until the fall of the Berlin

wall, and for much of that time the perception was that only on the Eastern side were politics and sport inextricably linked. However, this assumption underestimates the extent to which sport was an important symbol for both power blocs in their ongoing ideological ...

East West Sport

In recent years, some centres of German top-class sport have relocated to the West, for example winter sports to Bavaria. However, the East is still performing better than the West. Trainers from East Germany (e.g. Uwe Müßiggang) were important in producing sporting success for United Germany.
