The Fox and the Forest Fire *Chronicle Books*

A story of hope and friendship, in which resilience trumps tragedy in the wake of a forest fire. After moving from the city, one boy discovers his new home in the woods isn't so bad—there is friendship in the midst of the forest. But when he spots a fire on the horizon that soon engulfs everything he's come to know—the bugs, the plants, the fox who keeps him company—he is forced to flee. When his newfound comfort goes up in smoke, how can he ever feel at home again? In a forest fire, so much can change in an instant. But both fox and boy learn that there are some things fire cannot burn. With time, the forest will regrow, the animals will return to their home, and so will the boy and his mom. As we all search for tools for understanding the destruction of forest fires, this touching story shows that hope, friendship, and resilience shine the brightest. **TIMELY:** As fires rage over a wider swath of the United States and internationally, and as fire season lengthens year after year, and sets new records year after year, these are themes communities are engaging with daily during fire season. **WRITTEN BY A FIREFIGHTER:** The author-illustrator was a volunteer firefighter, giving him a unique perspective on the topic of forest fires. **EMOTIONALLY RESONANT:** This moving story ends with rebuilding—both for humans and for nature—and with a truly uplifting message of resilience. **COMMUNITY-BUILDING:** A wonderful resource for families and communities experiencing the aftermath of a fire or other natural disasters, as well as anyone looking to empathize with, and better understand, those communities in need. **CLASSROOM RESOURCE:** Not only is this the perfect resource for talking about topics like the environment, natural disasters, forest management, and emergency preparedness, this book will also spark important conversations about coping with personal and community tragedies. The author-illustrator reflects on his own experiences with forest fires in the autho's note, and backmatter provides additional context. Perfect for: Parents, Educators, Nature lovers

A Tail of Woah *Untold Press, LLC*

As the daughter of an Inari Fox, celestial messenger to the gods, I should have been reverent, wise, and collected like my father. As the daughter of a kitsune queen, I should have been poised and delicate, with just a hint of playfulness to pay homage to the fox spirit within, just like my mother. Unfortunately, genetics can be unpredictable, and they ended up with a hot mess dipped in sarcasm, rolled in spunk, drizzled with sass, and sprinkled with pop-rocks.Hi! My name's Kaede, and I'm that mess.Life was a never-ending series of clubbing and drinking with my bodyguard, Hiroki. That was his official title, but he's more of a babysitter. He's a nogitsune, kind of like a kitsune, but more physically badass with a little less spiritual oomph. I have the hots for him, but he's afraid of losing important pieces of his anatomy if my parents catch him touching their daughter.I enjoyed my life, except for the hangovers and vomit. It was good. Until I decided to save a human from jumping off a building, just because he saw dead people. The supernatural community had one rule. Don't get caught. I ended up on the six-o'clock news and shipped off to boarding school to learn how to blend in better. Good times.The kicker is Aesir Academy is in Iceland. Know what's in Iceland? Ice, land, and ancient Norse gods. Some of which are sleeping. For a damn reason. Like wanting to destroy the world. Know what wakes them up? Celestial messengers. Know how to keep them from waking up? Kill the messenger.School should be about fitting in with the popular kids, not destroying the world and staying alive. At least I made some friends to help me save the world. Dogs love foxes. Especially hellhounds and werewolves...This trilogy is intended for mature audiences only. It contains graphic language, puns, and sexual situations. 18+ readers only! Harem members are added as the series progresses. Includes M/M themes. This is a medium burn reverse harem where the girl gets all the guys. Why Choose?
