Business Model Innovation The Organizational

An increasing number of companies have to innovate their business models, not just because of competitive forces but also because of the ongoing change from product-based to service-based business models. Yet, business model innovation also involves organizational change process that challenges existing processes, structures and modes of control.

Business Model Innovation: The Organizational Dimension

...

This study aims to explore the impact of organizational search (local and boundary-spanning search) on business model innovation (efficiency-centered/novelty-centered business model innovation) and the moderating role of knowledge inertia between them. The relationships are examined through data provided by a sample of Chinese firms and by multiple hierarchical regressions. Local search has a stronger effect on efficiency-centered business model innovation, whereas boundary-spanning search ...

...

More. Business model innovation is an important source of competitive advantage and corporate renewal. An increasing number of companies have to innovate their business models, not just because of competitive forces but also because of the ongoing change from product-based to service-based business

models. Yet, business model innovation is also a massive organizational change process that challenges existing processes, structures and modes of control.

Business Model Innovation: The Organizational Dimension

...

Although the rationale for business model innovation seems to be conclusive, we can find a lot of reasons why companies fail at it. A key question involved in business model innovation is: What is the adequate organizational setting to discover, validate and scale new business models concurrently to running existing (and often still successful) ones?

Organizational Pathways to Business Model Innovation ...

T1 - Business Model Innovation. T2 - The Role of Organizational Design. AU - Ahrensbach Rasmussen, Klement. PY - 2017/5/22. Y1 - 2017/5/22. N2 - The topics of business model innovation (BMI) and organizational design have potentially important links. And yet, there has been little cross-fertilization of ideas between the two fields.

Business Model Innovation: The Role of Organizational ...

Innovation Innovation is the new thing that you created for the development and success of your business or one of the products in the business. Innovation improves your business growth in terms of profit. Customers more like to use your organization's services or products if you provide them with unique and innovative products time-to-time.

Organizational Strategies for Business Model Innovation

...

Business model innovation describes the innovative processes and rationale of how an organization creates, delivers and captures value as opposed to how to create a new product or service. For example, Google rose to power using business model innovation, not by inventing the internet or computers.
