Mile Simon and Schuster

The Green Mile, Stephen King's #1 New York Times bestselling novel, was first published twenty years ago in six original paperback installments.

Inspiration for the Oscar-nominated film starring Tom Hanks about an innocent man on death row, The Green Mile is now available for the first time in e-serial form. The Mouse on the Mile is Volume Two. Paul Edgecombe's story continues with the addition of two characters, one a new prisoner awaiting his own date with "Old Sparky," Cold Mountain's electric chair. He's William "Wild Bill" Wharton, a killer with an aim to cause as much trouble

as he can before his execution date. The other newcomer is a mouse. Called Steamboat Willy by the guards who first noticed him, he's later renamed Mr. Jingles by Eduard Delacroix, another of the death row inmates who eventually takes in the mouse and makes him his pet—a bit of cold comfort for a man condemned to walk the Green Mile.

Time has run out for one of the inmates at Cold Mountain penitentiary. Eduard Delacroix is set to make his way into the lap of Old Sparky. But first he must say good-bye—to the guards, to his fellow inmates, and to a strange creature that forever changed his life. Little does he know of the terrible fate that awaits him, and of a devilish plan of revenge. Though no execution can ever be routine, it can follow procedures put in place to minimize pain and avoid a ghastly end. But those procedures are only as good as the

men carrying them out. Unfortunately for Delacroix, one of those men is Percy Wetmore. And he's determined to hear Delacroix's screams of agony echoing along the Green Mile.

The Authenticity of Execution Scenes portrayed in „The

Green Mile“ GRIN
Verlag

Seminar paper from the year 2015 in the subject Cultural Studies - Miscellaneous, grade: 3,0, University of Rostock, language: English, abstract: In the late 1980s and the 1990s, the time Stephen King was working on his serial novels and movie 'The Green Mile', the newspapers reported of many execution errors comparable to Kemmler's execution. Stephen King was presumably concerned by these horrible incidents so that these reports may have influenced his writing. The thought that this movie was made to enlighten and arouse the public, raises the question in which way these three executions

in the movie resemble to authentic executions that took place over the years in the United States of America. To respond to this question this paper will give a summary of the movie 'The Green Mile' followed by descriptions of the three execution scenes. In the last part the three executions will be compared to real executions that took place in the USA and are discussed with regard to how accurate they are to reality. The thought of executing a person through electricity has its origin in the late 19th century. During that time technology developed very fast and people were fascinated by electricity. However, installing electrical items like street lights

caused many fatal accidents. The number of deaths increased rapidly in the 1880s. Apparently the victims died within seconds without physical pain and visible marks of external forces on the bodies. Soon people thought that power generators might be useful for executions. David Hill, Governor of New York, engaged a three-member committee to proof if electricity is suitable for executions. After three years of research the result was that electrocutions caused a painless and instant death. It was seen as the most human and practical method to enforce the death penalty. The first electric chair was built in New York in 1888 (DPIC). Only two years later William Kemmler

was the first person who got executed by electrocution in the US for murdering his common-law wife Tillie Ziegler. Even though the tests were successful, Kemmler's electrocution in the Auburn Prison in New York occurred not to be as painless as it was supposed to be. His death on the electric chair took several minutes. Even though there were oppositions and execution errors in the years later, the electric chair had been established in many other states. Altogether 26 states of the United States of America adopted the method of electrocution.

**Stupid Things I
Won't Do When I Get
Old**

**A Highly
Judgmental,
Unapologetically
Honest Accounting
of All the Things Our
Elders Are Doing
Wrong** *Citadel Press*

For fans of David Sedaris and Nora Ephron, here is a humorous, irreverent, and poignant look at the gifts, stereotypes, and inevitable challenges of aging, based on the wildly popular New York Times essay from

award-winning journalist Steven Petrow. Soon after his 50th birthday, Steven Petrow began assembling a list of “things I won’t do when I get old”—mostly a catalog of all the things he thought his then 70-something year old parents were doing wrong. That list, which included “You won’t have to shout at me that I’m deaf,” and “I won’t blame the family dog for my incontinence,” became the basis of this rousing collection of do’s and don’ts, wills and won’ts that is equal parts hilarious, honest, and practical. The fact is, we don’t want to age the way previous generations did. “Old people” hoard. They bore relatives—and

strangers—with tales of their aches and pains. They insist on driving long after they've become a danger to others (and themselves). They eat dinner at 4pm. They swear they don't need a cane or walker (and guess what happens next). They never, ever apologize. But there is another way . . . In *Stupid Things I Won't Do When I Get Old*, Petrow candidly addresses the fears, frustrations, and stereotypes that accompany aging. He offers a blueprint for the new old age, and an understanding that aging and illness are not the same. As he writes, "I meant the list to serve as a pointed reminder—to me—to make different choices when I eventually cross the threshold to 'old.'"

Getting older is a privilege. This essential guide reveals how to do it with grace, wisdom, humor, and hope. And without hoarding.

Pushing any of its seven coloured buttons promised death and destruction. Years later, the button box re-entered Gwendy's life. A successful novelist and a rising political star, she was once more forced to

deal with the temptations that the box represented - an amazing sense of wellbeing, balanced by a terrifyingly dark urge towards disaster. With the passing of time, the box has grown ever stronger and evil forces are striving to possess it. Once again, it is up to Gwendy Peterson, now a United States Senator battling the early symptoms of Alzheimer's Disease, to keep it from them. At all costs. But where can you hide something from such powerful entities? Gwendy's Final Task is a wildly suspenseful and at the same time deeply moving novel in which 'horror giants' (Publishers Weekly) Stephen King and Richard Chizmar take us on a journey from Castle Rock to another

famous cursed Maine city to the MF-1 space station, where Gwendy must execute a secret mission to save the world. And, maybe, all worlds.

The Last Man Stand and Walk the Green Mile *Xlibris Corporation*

To my fellow martyrs, get yourself ready, your companion in the word and brother in the spirit Firebird Green Jr. is right back at you for the second time in two years, and he did not arrive at your number by mistake or on the magic carpet either, because it had outlasted its usefulness, retired and placed in storage with all the other outdated furniture for a better Promise that is in the high calling in Christ Jesus, the only begotten son of the most high God, who is a constant companion of the brethren and the keeper of all hope. The

last time you heard from me, the magic carpet had me here and there, taken me on some very wild rides. I felt, at times, like I was riding on the back of Haley comet, after the tail had been cut off by the rings of Saturn! Listen in, audience, a female veteran that I know purchased and reviewed one of my first book, The Last Man Is Standing, and this is what she had to say: The book is interesting but you were all over the place. And make no mistake about it, she was right. I was all over the world. Listen in, saints, the Lord reflected light into my spirit on January 13, 2013, after I had been burned, pretty badly, on January 1, 2013, with a class 2 burn to the left Leg and foot, when I

was attempting to cook the traditional New Years Day dinner! In the southern part of the nation, black-eyed peas and cabbages, and for the next three months, when I got up and said my morning prayer, with my leg elevated and extended, I would always add this, If not today, Lord maybe, tomorrow, and after two months, it finally started to grow a scab. After that, I knew it would not take long. Prayer had been answered and healing was on the way. In the Last Man Is Standing, God Told me to tell the whole truth about the past life that I had lived and hold back nothing, tell the good, the bad, and the ugly because it has everything to do about him. And it is his mercy and grace that

endures forever. Amen. And that is what I tried to do, but now, after the life sentence that I received from God, in my last book, well, now in the *The Last Man Stand and Walk the Green Mile*, the sentence is death. So come along with me down the corridor of life and witness me being drawn through the passageway to my long way home, and you are welcome to join anytime. Come along! You are guaranteed not to be disappointed, and the blessing will abound.

After signing up for a class, Low quickly falls under Freya's spell. And Freya, buoyed by Low's adoration, is compelled to share her darkest secrets and deepest desires. Finally, both

She lived there as a child with her beloved foster parents, and now she believes it might be the only place left for her. As past and present collide, Anna realizes that she has been led to this moment. The

most difficult lessons of her life have given her insight into how victims come into contact with violent predators. As Anna becomes obsessed with saving the missing girl, she must accept that true courage means getting out of her own way and learning to let others in.
