Walter Dean Myers does a good job of bringing up all the challenges that Greg has to face. It all ties in smoothly with Greg's basketball life and his dream of making it into the NBA. The conflict in the story isn't as interesting as other books I've read but it is

definitely different. The style of writing that Walter Dean Myers uses is probably what makes me want to continue to read this book. The language is very similar to how many teenagers talk and that makes it easier to relate to.
