necessary.

Challenging Racism

Why challenging racism matters to every branch While tackling race discrimination is no easy task, the approach we take is no different to that of tackling any other workplace issue for members: speaking to members, identifying problems and issues that need to be tackled collectively, organising and campaigning around these concerns and negotiating with employers to resolve the problem.

* Challenging society. The most important challenge we can make is to the society that has fed us the images and set up the institutions - by taking political action. One sign that people haven't been taking racism seriously enough lies in the shortage of nationwide campaigns - against discriminatory immigration laws, for example.
