365 Days of Encouragement

Author Tom Brady inspires people to build a relationship with God. Building your life on the foundation of Jesus is the start to a life of love, happiness and encouragement. The author uses our everyday moods, struggles and situations to relate to the Bible. We all have good days and bad

days, but if we put God in the centre of everything we do and involve Him in our everyday life nothing is impossible. One way or another, there is always a relation to the Bible which can help us to overcome the everyday life. 365 Days of Encouragement will inspire you to continue to stay positive and to be consistent in your life with God with a page of encouragement for each day of the year.

365 Days of Happiness: Because Happiness is a Piece of Cake! *Freakyhealer*

Do you have fun with your own life? How often do you really pay attention and choose things to improve your day? In 365 Days of Happiness, bestselling author, energy healer,

and mindfulness teacher Jacqueline Pirtle has created daily inspirations that help you mindfully work towards living a more vivid experience of daily happiness. Showing that you can put in work to change your life while having fun, the practices are full of whimsy and delight. Jacqueline decided to spend every day of 2017 devoted to her own happiness. She wrote every single day about the things she does to honor her joy, and used these writings to create this 365 day step-by-step guide, so she could teach you how to shift to BE and live in a "high for life" frequency of happiness too-no matter where you are at in your life right now. She started writing these for

herself, but has a little sneaky intent to touch your heart every day and initiate new learning, understanding, knowledge, and wisdom for you to get closer to your true, authentic happy self. Through light, bubbly, cheerful passages, each day teaches you to find happiness, use those sour lemons, and shift yourself into a "high for life" frequency where you can reach happiness anywhere at any time.

Life Is So Daily!

A 365 Day Walk with the Word *Createspace Independent Publishing Platform*

Life Is So Daily! A 365 Day Walk With The Word By Pastor Cecil A. Thompson In the 1970's I was on the ministerial staff of a large church. At one of our weekly staff meetings, the Senior Pastor announced that he wanted to start daily devotionals. Each

staff member was to write seven devotionals which would be printed and distributed to the congregation each Sunday. Unfortunately, the project only lasted a short while because staff members complained that it was impossible to produce material for seven days. Thirty years later, September 15, 2000, I was pastoring a small congregation and requested the members email addresses. The number of responses surprised me so I sent them a short devotional message. Once again the response surprised me. They wanted me to send more! As I prayed about the commitment it would require on my part, the Lord prompted me to use this method to

share His Word through my life experiences. The Daily E Votional was born. At the outset I sent out a new message seven days a week. Some of my spiritual counselors advised me to reduce it to five days a week or I would not have the energy to sustain it. I listened and limited the E Votionals to five days a week. The other change I made was to shorten the messages. Can I let you in on a little secret? It is much easier to write much than to write little. I eventually tried to cut back to a single page and encapsulate the message within four paragraphs. I also discovered that people like stories, which reminded me that Jesus used stories as the basis for much of His teaching. He

painted word pictures that allowed the people to visualize His message. I have had a very unique work history all the way from driving a milk delivery truck, to jet aircraft mechanic, to police officer, to juvenile probation officer, to Air Force Personnel Officer, to Missile Launch Officer, to Nuclear Safety Officer, to Criminal Justice Planner and, through almost all of it, a preacher and teacher of God's Word. This book provides a full year of selected Daily E Votionals to assist you in making each day more meaningful in serving the Lord. My desire for each of us is that we will allow every situation in our life an opportunity to serve the Lord. May God bless you, Dear Hearts!

Empath Energy, Beyond Empathy

Createspace

Independent Pub

The Empath. The word has found its way into our consciousness accompanied by ideas of healing, sharing emotion and pain. Empaths are sensitive, caring, responsive people who have at the core of their nature an innate ability to receive energy, information and awareness from others with a depth and intensity that is beyond our customary understanding of empathy. Yet, this very

receptivity and permeability brings its own challenges. It is vital for empaths to recognize themselves as such and to consciously explore, understand and address this energetic flow in their life. Self-inquiry is the essential tool to understanding all that motivates and colors your experience of the world. The book explores in depth this receptivity, as well as tools, concepts and approaches to support understanding and how to flourish with this heightened sensitivity. This book is a shared journey, edited from years of workshops and sessions with Elisabeth Fitzhugh and the Orion group.
