The ascendant is the astrological sign that is ascending on the eastern horizon at the specific time and location of an event. According to certain astrological theories, celestial phenomena reflect or determine human activity on the principle of 'as above, so below'. Thus some astrologers believe that the ascendant signifies a person's awakening consciousness, in the same way that the Sun's appearance on the eastern horizon signifies the dawn of a new day. Because the ascendant is specific to a

Ascendant - Wikipedia

what is a rising sign? Your rising sign, also known as ‘the ascendant’ is the zodiac or astro sign that was present when the sun rose on the eastern horizon when you were born. It relates to the constellations and the influence or relationship that the zodiac sign has with the sun at the exact time and place when you were born.
